

Community Conversation on Healthcare Reform

FOUR YEARS AFTER HURRICANE KATRINA · HEALTHCARE STILL IN CRISIS · OUR URGENT NEEDS FOR REFORM

The *Community Conversation on Healthcare Reform* is a citizens' coalition effort to shed light on both the steps taken by Congress in response to President Barack Obama's call for national legislation to reform healthcare and the healthcare crisis affecting the people of New Orleans, Louisiana. This forum creates the opportunity for residents to deepen their understanding of the proposed healthcare reform legislation, reflect on the broad range of healthcare issues affecting our community, and discuss their concerns and needs that are related to healthcare policy. Additionally, attendees will be asked to take a survey on current healthcare policies and proposed reforms.
